Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

6th graders can reinforce what they learn in school with a workbook from Brain Quest. The book boasts 300 pages jam-packed with curriculum-based activities and exercises in every subject, with a focus on math and language arts. Original full-color illustrations throughout give the book a bright, lively style that will appeal to older kids. It is engaging, user-friendly, and written to make schoolwork fun. Sixth graders will delve into research and analysis, metaphor and meaning, ratios and proportions, expressions and equations, and geometry. The workbook covers spelling and vocabulary, writing, social studies, science, and more. Written in consultation with the Brain Quest Advisory Panel of award-winning teachers specific to each grade level, and with all content aligned with Common Core standards. Plus fun stuff: Each workbook comes with a mini-deck with 100 all-new Brain Quest questions and answers. These all-inclusive skills resources provide the focused practice students need to apply, reinforce, and review skills in reading, math, and test-taking. Answer key included.

Practical strategies, activities, and assessments help teachers differentiate lessons to meet the individual needs, styles, and abilities of students. Each unit of study includes key concepts, discussion topics, vocabulary, and assessments in addition to a wide range of activities for visual, logical, verbal, musical, and kinesthetic learners. Helpful extras include generic strategies and activities for differentiating lessons and McREL content standards.
The Roadmap series works as a year-long companion to earning higher grades, as well as passing the high-stakes 6th Grade Social Studies Ohio Proficiency Test that is necessary for grade level promotion. This book has been designed according to the specific standards set forth by the state of Ohio. Now parents can work with their kids to both improve their grades and pass these important tests. The experts at The Princeton Review have analyzed the OPT, and this book provides the most up-to-date, thoroughly researched practice possible. TPR breaks the test down into individual skills and provides lessons modeled after the OPT to familiarize students with the test’s structure, while increasing their overall skill level. The Princeton Review knows what it takes to succeed in the classroom and on tests. This book includes strategies that are proven to raise student performance. TPR provides: • Content review, detailed lessons, and practice exercises modeled after the actual exam • Test-taking skills and social studies essentials such as using charts and graphs and reading maps • 2 complete practice OPTs

Winding through purple mountains majesties and amber waves of grain, the standards-based Spectrum Geography: World for grade 6 guides your child’s understanding of ecosystems, world religions, current events, human migration, and more using colorful illustrations and informational text. –Spectrum Geography is an engaging geography resource that goes beyond land formations and maps! It opens up children’s perspectives through local, national, and global adventures without leaving their seats.

180 Days of Geography is a fun and effective daily practice workbook designed to help students learn about geography. This easy-to-use sixth grade workbook is great for at-home learning or in the classroom. The engaging standards-based activities cover grade-level skills with easy to follow instructions and an answer key to quickly assess student understanding. Each week students will explore a new topic focusing on map skills, applying information and data, and connecting what they have learned. Watch students build confidence as they learn about location, place, human-environment interaction, movement, and regions with these quick independent learning activities. Parents appreciate the teacher-approved activity books that keep their child engaged and learning. Great for homeschooling, to reinforce learning at school, or prevent learning loss over summer. Teachers rely on the daily practice workbooks to save them valuable time. The ready to implement activities are perfect for daily morning review or homework. The activities can also be used for intervention skill building to address learning gaps.

Mastering Skills takes a fresh approach to the mastery of grade-specific skills. Each book uses a wide range of activities to spark students’ interest in learning. As students complete the activities, they develop the skills they need to meet academic standards in reading, writing, math, social studies and science.

Capture the adventure students feel as they advance to a new grade level, encounter new concepts, and master new skills. These motivating activities cover language arts, math, science, and social studies. A bonus section at the end of each book provides a jump start to the next grade level, with a selection of language arts and math activities.
