This celebratory book, the seventh in the series, once again pays tribute to the brilliant work top designers around the world have created for a diverse clientele. This inspiring collection provides a wealth of insight for graphic designers and their clients. The LogoLounge website (www.logolounge.com) showcases the work of the world’s top designers as well as up-and-coming new talent, and this book presents the site’s best designs of the past year as judged by an elite group of name-brand designers. The first portion LogoLounge 7 profiles ten top designers and spotlights their biggest, newest campaigns. A handful of their smaller projects are also featured in this section along with unused logos that have never before been seen. The second half of the book contains almost 2,000 logos organized by visual categories.

Alfa Romeo and Maserati are two carmakers that are very similar yet incredibly distinct. Alfa Romeo is known for breathtaking speed while Maserati is known for cutting-edge luxury features. Car enthusiasts enjoy debating which company produces the better vehicles, and with this engaging information, in addition to many stats and a comparison chart, readers will, too.

La 4de couv. indique : "Marketing An Introduction introduces students at all levels, undergraduate, postgraduate and professional courses, to marketing concepts. It focuses on how to build profitable customer relationships by encouraging students to apply concepts to real commercial practice through numerous case studies from around the world. Now updated with the last ideas in digital marketing such as big data, analytics and social marketing as well as up-to-date case studies from a range of consumer and industrial brands including Netflix, Aldi, Spotify, Phillips, Renault and Airbus 380, this fourth edition combines the clarity and authority of the Kotler brand within the context of European marketing practice. Marketing An Introduction makes learning and teaching marketing more effective, easier and more enjoyable. The text's approachable style and design are well suited to cater to the enormous variety of students taking introductory marketing classes."
