All Clear! Idioms in Context (Book 2) + MP3 Audio [2nd Edition] Considered by some as the best idioms books on the market, these enticing texts splash through the world of idioms with an irresistible charm! Each two-color book offers 8-12 units of theme-grouped idioms.

This successful program stresses an inductive approach to communicating effectively in English by recognizing and producing high frequency American idioms.

This advanced level text teaches students to recognize and produce about 200 high-frequency idioms in ways that develop effective listening, speaking, and pronunciation skills. Realistic contexts allow students to perceive nuances between idioms. Idioms reflect contemporary North American usage, i.e. "I've got to hand it to you", "put one's foot in one's mouth", and "it doesn't hold water". Focus on appropriate rhythm, stress, intonation, and systematic pronunciation practice helps students master production of idioms.

Recordings provide examples of natural conversations covering a wide range of speech acts and emotions.

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Ideal for anyone who wants to learn English to native-speaker standard and prepare for major English exams including IELTS, TOEIC, and TOEFL, this fun and engaging visual guide to the most common and useful English idioms and phrases will help you understand and remember English idiomatic expressions and their meanings, making your English more fluent and natural. English for Everyone: English Idioms combines an innovative visual teaching method with the best of DK design to make one of the most difficult aspects of learning English as a foreign language incredibly easy. Hundreds of expressions are presented in context, with crystal-clear definitions and attractive illustrations that show each idiom's literal and idiomatic meaning. The book also covers English collocations and commonly confused words, helping you avoid the kind of mistakes that native English speakers would never make. Each teaching module is followed by tightly focused practice exercises to help you remember what you have learned. Extensive supporting audio is integrated throughout the course, with every expression in the context of its sample sentence recorded by native English speakers. The audio is free and available online, and can be played, paused, and repeated as often as you like, to help you perfect your pronunciation of each expression. Suitable for learners at all levels, English for Everyone: English Idioms is an exciting and intuitive guide to improving your understanding of English and the style of your written and spoken English.

The largest barrier to fluency in English is the ability to understand and use idiomatic language. Webster's New World American Idioms Handbook walks readers through learning and using American idioms, with complete explanations for over 1,000 idioms. Emphasizing acquisition, application, and understanding, this book offers all the information readers need to know about when, where, why, and how to use them. It includes a wealth of examples to provide users with context. Thorough explanations help readers identify which idioms are appropriate for which situations. An extensive index allows easy, helpful access to individual idioms so that they can be found quickly.

Idiomatic expressions are the ‘salt and pepper’ of any language. They give Spanish its colour and imagery, its richness and variety. From set phrases and idioms to metaphorical expressions and proverbs, these essential components allow users to add humour and spice to their language, vividly embodying Hispanic culture while naturalizing their communication style to more closely resemble that of native speakers. Key features: Includes a selection of the most widely used idioms from Spain and Latin America; Idioms are ...
classified into specific and easy-to-reference categories. Creative activities, exercises, mnemonic devices and learning strategies facilitate the acquisition and mastery of idiomatic language. Connections between the Spanish language and Hispanic culture are explained and illustrated; Reference tables at the end of each section highlight similarities between English and Spanish usage of idiomatic language. Original samples, as well as fragments from various Spanish-speaking countries and well-known literary works, are included to help expose students to the use of idioms in journalistic and literary writing. Practical, informative and highly entertaining, this is the ideal text for all intermediate and advanced learners of Spanish.

All Clear teaches students to recognize and produce the high-frequency idioms, phrases, and contemporary expressions needed in a range of conversational situations. Each lesson focuses initially on chunks of language in the form of idioms and other expressions (collocations) and then provides many structured and communicative activities for speaking, listening, grammar, writing, pronunciation, and public speaking practice.

This comprehensive, up-to-date, and accessible text on idiom use, learning, and teaching approaches the topic with a balance of sound theory and extensive research in cognitive linguistics, psycholinguistics, corpus linguistics, and sociolinguistics combined with informed teaching practices. Idioms is organized into three parts: Part I includes discussion of idiom definition, classification, usage patterns, and functions. Part II investigates the process involved in the comprehension of idioms and the factors that influence individuals' understanding and use of idioms in both L1 and L2. Part III explores idiom acquisition and the teaching and learning of idioms, focusing especially on the strategies and techniques used to help students learn idioms. To assist the reader in grasping the key issues, study questions are provided at the end of each chapter. The text also includes a glossary of special terms and an annotated list of select idiomatic reference books and student textbooks. Idioms is designed to serve either as a textbook for ESL/applied linguistics teacher education courses or as a reference book. No matter how the book is used, it will equip ESL/applied linguistics students and professionals with a solid understanding of various issues related to idioms and the learning of them.

The Book of Idioms is a simple easy to use guide for intermediate/upper intermediate students of English as a second language. Clear definitions and examples have been used to ensure that students understand the meanings of these complicated but essential parts of the English language. Many non natives of English lack the ability to understand and reproduce idiomatic language thus hindering them from sounding like the natives. Idioms are a distinctive feature of the English language and students should familiarize themselves with them in order to improve proficiency. With 'The Book of Idioms' not only will you begin to understand idiomatic language but you will also revise the English grammar.
