CliftonStrengths for Students gives students and campus leaders the resources, techniques and inspiration they need to thrive in college and beyond. From deciding how to get involved on campus to planning your career after graduation, CliftonStrengths will help you discover and develop your strengths — and reach your full potential. This book includes an access code to take the CliftonStrengths assessment. After you identify your strengths, you will learn how to develop and apply them in the college environment, in your career, and in your personal life.

In College and Beyond

College is a chance for you to start fresh. You get to learn and grow in ways that will amaze you.  

CliftonStrengths for Students will also give you suggestions for developing and using your strengths in college and in the real world. If you understand and apply your strengths, your college journey — and the rest of your life — will be happier, more fulfilling and more successful. That's the point of developing your strengths.

Help you discover your greatest talents and develop strengths. You'll gain access to action items specific to your top themes, covering general academic life, study habits, relationships, and career. You'll also be challenged to think about applying your talents for success in other settings, such as on projects and teams and in leadership.

StrengthsQuest was written by the late Donald O. Clifton, who was the former chairman of Gallup; coauthor of the bestseller Now, Discover Your Strengths; and recognized as the Father of Strengths-Based Psychology and the late Edward "Chip" Anderson.

StrengthsQuest also helps students make the most of those talents. Students and learners of all ages continually face the challenges of gaining direction, making decisions, and building self-confidence. Fortunately, the keys to achieving academic, career, and personal excellence. More than 100,000 students have benefited from the program. Your quest starts with the Clifton StrengthsFinder, a 30-minute assessment that reveals your top five themes of talent. This online assessment is your entryway to a variety of experiences that will help you discover your greatest talents and develop strengths. You'll gain access to action items specific to your top themes, covering general academic life, study habits, relationships, and career. You'll also be challenged to think about applying your talents for success in other settings, such as on projects and teams and in leadership. StrengthsQuest was written by the late Donald O. Clifton, who was the former chairman of Gallup; coauthor of the bestseller Now, Discover Your Strengths; and recognized as the Father of Strengths-Based Psychology and the late Edward "Chip" Anderson.

StrengthsQuest assesses how you express 34 different strengths. While workshops often focus on the top five strengths you express most strongly and most often, everyone has all 34. Learn more about each strength — and view videos of students talking about what they've learned about how the strength is expressed in their lives.

CliftonStrengths assesses how you express 34 different strengths. While workshops often focus on the top five strengths you express most strongly and most often, everyone has all 34. Learn more about each strength — and view videos of students talking about what they've learned about how the strength is expressed in their lives.

To use the CliftonStrengths assessment, go to the CliftonStrengths website and select "Create an Account." Once you have an account, you can take the assessment and view your top five strengths.

StrengthsQuest for Students will also give you suggestions for developing and using your strengths in college and in the real world. If you understand and apply your strengths, your college journey -- and the rest of your life -- will be happier, more fulfilling and more successful. That's the point of developing your strengths.
