The John Deere D140 is very similar to the John
Deere D130 as they both have the same engine, the Briggs and Stratton '40' engine that produces 22 hp. This 2 cylinder engine also transfers power to the wheels using a Kanzaki Tuff Torq T40 hydrostatic transmission that gives it infinite gears in both forwards and reverse.

Through the prism of gender, this text explores
the contrasting cultures and practice of mathematics and science and asks how they impacted on women. Claire Jones assesses nineteenth-century ideas about women's intellect, femininity and masculinity, and assesses how these attitudes shaped women's experiences as students and practitioners.
Greater London and the surrounding area, this comprehensive guide is aimed at helping parents and children through the process of choosing the right school in London and the south-east.

"Treatise Online publishes chapters prepared for parts of the
Treatise on Invertebrate Paleontology as they are ready, rather than waiting for an entire hard copy Treatise to be printed"--Treatise Online website
