Dal rito al teatro: un viaggio di scoperta che dai rituali delle tribù africane giunge al teatro sperimentale contemporaneo.

Attraverso la definizione di concetti come "dramma sociale" e "liminalità", Turner mette a fuoco la funzione della performance.
Secondo la sua lettura, la finzione del teatro assume un ruolo decisivo nel dare espressione a momenti di crisi e di passaggio tra fasi...

The artist and the audience, act on the same level. The book is a first tentative reconstruction of the history of artistic networking in Italy, through an analysis of media and art projects which during the past twenty years have given way to a creative, shared and
aware use of technologies, from video to computers, contributing to the creation of Italian hacker communities. The Italian network proposes a form of critical information, disseminated through independent and collective projects where the idea of freedom of
expression is a central theme. In Italy, thanks to the alternative use of Internet, during the past twenty years a vast national network of people who share political, cultural and artistic views has been formed. The book describes the evolution of the Italian hacktivism and...

This book directly explores the question of why contemporary society is so fascinated with violence and crime. The Fascination with Violence in Contemporary Society posits that the phenomenon is, in part, because we have
all become consumers of the sublime: an intense and strongly ambiguous emotion which is increasingly commodified. Through the experience of violence and the sense of disorientation that accompanies it, we obsessively seek out moments of...

The present volume deals with popular culture from an interdisciplinary perspective. Popular culture, as an important part of the public sphere, has attracted the interest of social scientists for many decades;
however, most studies tend to rely on the anthropological perspective or, less commonly, on the sociological perspective. This edited volume breaks down disciplinary barriers to bring together a plethora of methodological and theoretical
approaches to the study of popular culture. Moreover, the volume will foster dialogue between international scholars conducting research on the topic.
