Financial Freedom Through Electronic Day Trading

As increasing numbers of investors are entering the high-risk world of electronic day trading—often before they've learned the basic principles and safeguards. Financial Freedom Through Electronic Day Trading combines Van Tharp's mastery of trading psychology with Brian June's nuts-and-bolts expertise to give day traders the proven strategies and information they need to survive and succeed. The perfect combination of psychological preparation and hands-on practice, it discusses:

- Market analysis from a day trading perspective: "Techniques for determining a market maker's position" The best day trading software
- Risk management for day trading: "Techniques for managing your capital" The best day trading software
- Trend following for day trading: "Techniques for identifying trend changes" The best day trading software
- Market analysis: "Techniques for determining a market maker's position" The best day trading software
- Trend following: "Techniques for identifying trend changes" The best day trading software
- Market analysis: "Techniques for determining a market maker's position" The best day trading software
- Trend following: "Techniques for identifying trend changes" The best day trading software

The nonfiction best-seller, now with substantial new material, including new chapters on risk management and the use of stop orders. It also features new research on the psychology of trading, and a new chapter on the role of emotion in trading. And it includes new examples and charts.

How to transform your trading results by transforming yourself. In the unique arena of professional trading coaches and consultants, Van K. Tharp is an internationally recognized expert at helping others become the best traders they can be. InTrading Beyond the Matrix: The Red Pill for Traders and Investors, Tharp leads readers to dramatically improve their trading results and financial life by looking within. He takes them by the hand through the stages of self-transformation, fosssiporizing "Tharp Thinks" ideas drawn from his workshops with great traders-taking changes in yourself so you can adapt to the market's ever-changing ways. Yoko changes your view of consciousness so that you can understand the market's ever-changing ways. The book offers a new, comprehensive approach to becoming a successful full-time trader. It is a survival guide for today's trader. It is a survival guide for today's trader.

"Financial Freedom Through Electronic Day Trading shows how to do it—without risking your savings or your sanity!
