In 1859 a young Swiss traveller called Henri Dunant found himself caught up in the humanitarian tragedy that followed one of the most terrible battles of the nineteenth century.³ While Dunant ...
Henri Dunant (1828 – 1910) was a Swiss businessman who happened to witness the horrors of the 1859 Battle of Solferino between France, Sardinia, and Austria. Three years later he published Un Souvenir de Solferino at his own expense and presented it to leading figures in Europe. The next year, due to his efforts, the Red Cross was founded.

In 1901 I was crowned a Nobel Peace Laureate together with Frédéric Passy. This award was accorded unto me after years of dedication towards the reduction in the sufferings of humanity. I was a businessman but predominantly, a humanitarian and social activist. On the 8th day of 1828, I was born in the diplomacy city of Geneva in Switzerland and given the name Jean-Henri Dunant. Please join me as I walk you through my life's journey sequentially, in order to motivate you to aspire towards the goodwill of humanity, in the midst of various forms of adversity and antagonism.

Describes how a young Swiss businessman, accidentally viewing the bloody Battle of Solferino in 1859, was shocked at the lack of care given the wounded and went on to found the International Red Cross.
