But ultimately competition is at the heart of everything.” Last time in Rio, Team GB came second in the medal table behind the US with 67 medals.
What hopeless situation troubles your heart? The death of a loved one? The memories of childhood abuse? The diagnosis of terminal illness? The strain of financial failure? A stormy marriage? A body wracked by pain? A lonely sense of emptiness? Into your hopeless situation comes beloved evangelist Billy Graham bearing God's gift of hope, one of the strongest "medicines" known to humanity, an amazing resource that "can cure nearly everything." Filled with unforgettable stories of real-life people and irrefutable lessons of biblical wisdom, Hope for the Troubled Heart inspires and encourages you with God's healing and strengthening truths. It shows you how to cope when your heart is breaking, how to pray through your pain, how to avoid the dark pit of resentment and bitterness, and how to be a comforter to others who hurt. You'll be reminded that "before we can grasp any meaning from suffering we must rest in God's unfailing love." And you'll find the "joy to be discovered in the midst of suffering." Here you'll learn how hope helps troubled hearts find peace.

Fear Worry Stress These emotions can overwhelm and consume us. They fill our minds with unanswerable questions. What will I lose...my health? my family? my job? my home? Will our lives ever be normal again? What is "normal"? We live in a sin-sick world. Catastrophes surround us, but we can surrender our fears to Jesus. He is the answer to overwhelming fears that consume our energy, rob our joy, and ruin our health. Fear is an emotion. Faith is an attitude, and focus is a choice. Fear must give way to faith as we adjust our focus. If our eyes are focused on the problem, fear will overcome us. If our eyes are fixed upon Jesus, the emotion of fear may still be present, but it will not cripple us. Fear will no longer dominate our lives. Discover with Pastor Mark Finley as he shows us that we have One who is larger than our fears, bigger than our worries, and greater than our anxieties by our side, and He has practical, down-to-earth, real solutions to our problems. We have the assurance of the One who said, “I will never leave you nor forsake you” (Hebrews 13:5).

Are you at the end of your rope? Have you lost your hope? Well my friend, herin lies an invitation. Yes an invitation extended to you. Your invited to come in, take a load off, and find "hope for your troubled heart."
Are you becoming a better actor instead of a better Christian? Increasing numbers of believers are not experiencing the joy and life-change offered by Jesus Christ. Instead, they are frustrated and disillusioned. Their marriages are deteriorating. Their relationships with their kids are filled with conflict. They're acquiring self-destructive behaviors. Some are ready to give up on their faith altogether. And they're covering up their problems with a happy face. They are living with troubled hearts. You may be one of them. Yet Jesus said, "Do not let your heart be troubled." Is that even possible in today's world? In Hope for the Troubled Heart, Dennis Kizziar answers with an emphatic "Yes!" Inspired by a gradual awakening to his own troubled heart, Dennis explains the heart from a biblical perspective, identifies the three common obstacles to a life of freedom, and shows step by step how to rediscover God's joy and peace. The pathway to the life you were meant to live begins at the core your heart. Want to live with a heart that has been changed, freed, healed, and renewed? It's time to get to the heart of the matter!

In 1951, with the Second World War not long over and the menace of the Cold War generating anxiety in the West, Martyn Lloyd-Jones preached eight sermons on John 14:1-12 at Westminster Chapel in London. These sermons, presented in Let Not Your Heart Be Troubled, were intended to comfort, strengthen, and build up Christians in their "most holy faith" and to bring unbelievers to a knowledge of the only way men and women can face matters of life and death. Lloyd-Jones went through these verses carefully, showing that the way to deal with our fears is first to recognize and confront them and then to realize that the answer is only to be found in the great and unchanging truths of the gospel. Pastors, Lloyd-Jones readers, and anyone needing encouragement will benefit from this work by one of the twentieth century’s foremost preachers.

For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. - Romans 8:18 In just a few months I will enter my eightieth year on this planet, a fact that produces certain harsh realities. When I look in a mirror I see someone who is balding and slightly wrinkled and doesn't resemble the man I grew up with! I still think young thoughts and have dreams and goals that I will never fulfill. The pains I remember are much worse today than they were in days gone by. I'm slow getting out of bed and have to shake off cramps in my feet and legs when I do. My eyes don't focus the way they did when I was young, and I take blood thinner just to stay alive. Can you relate to these things? Well, cheer up. The best is yet to come. Someday we will be caught up together and meet the Lord in the air. That's when we will be with the Lord and enjoy an eternity without pain, sorrow, tears or death! What more could we ask for?

Imagine being able to sit down with Billy Graham and ask him for advice. In response to thousands of letters, Billy Graham offers guidance and answers to the most-often asked questions about every aspect of life, including relationships, ethics, psychological problems and spirituality.

When we are hurting, we are often in a weakened condition. We need precious truth ready to digest. That's what we have in Psalms 43, 56, and 30. Take the precious truths of these beloved psalms into your soul. Reflect upon your own situation and realize just how faithful God is, and therefore how confident and comforted you can be as a child of God. I commend this book for all who want to be uplifted by
Scripture, and as a helpful resource to give to others who need the same. Jason K. Allen, Ph.D. President Midwestern Baptist Theological Seminary & Spurgeon College absolutely love this little book! I was greatly challenged and deeply comforted. It's the kind of devotional tool I will return to again and again, and one that will help all believers. Pastor Jerry Wragg, D.Min. Grace Immanuel Bible Church Jupiter, Florida Richard Caldwell skillfully and faithfully unpacks and delivers God's hope from three tremendously important psalms. Pastor Mike Fabarez, D.Min. Compass Bible Church, Aliso Viejo, CA
