First built in the 1960s for rescue work, the Rigid Inflatable Boat has revolutionised the marine market. The Complete RIB Manual, published to coincide with the 50th anniversary of the first RIB, is the ultimate reference catering all aspects of a RIB's
design, handling and maintenance, aimed at all owners and users, both commercial and leisure. The emphasis of the book is entirely practical, and covers:

1. A History of the RIB • Early development • Modern design: leisure, commercial and military
2. RIB Handling • Impact of hull design, tube types, internal layout and engines • Driving techniques: throttle control and driving position • Advanced techniques for economy, sport and rough seas • Cruising: planning, weather, anchoring and communications • RIBs as tenders - stowing and towing • Launching and transportation • Safety and survival
3. Maintenance • Outboards, diesels, water jets, stern drives, fuel tanks and electrics • Tube care: cleaning, repair, replacement • Hull maintenance • Winter storage, checking for leaks, servicing

The Complete RIB Manual is a comprehensive worldwide reference for all RIB owners and users, covering all the information necessary to handle and maintain a RIB of any size.
Life was good for former Marine Lieutenant David LaSalle and his wife Stacy as they brought to reality their dream of living on a yacht in Ft. Lauderdale. But a downturn in the economy and the loss of a major contract for David's network engineering business threatened to tear apart the world they created for themselves. A chance encounter with a DEA investigation gives LaSalle access to sensitive information about drug deals in Miami's high intensity drug trafficking area, and he hatches a plan along with four of his friends to embark on a lucrative venture of privately interdicting a major drug transaction out on the open waters of the Gulf of Mexico. The plan is a success, but it all comes unraveled when the DEA discovers their activities. Instead of arresting the group, the government recruits them to do jobs that regular law enforcement cannot do. They go from being modern day pirates to modern day privateers, but unknown to LaSalle or any of the others, the government has an ulterior motive. Black Bart One is a thrilling ride through the seedy underbelly of the drug trade and the intricacies of government politics.
