The first book-length biography of a theater icon South Pacific. The Sound of Music. Peter Pan. As the star of these classic Broadway musicals, Mary Martin captivated theater audiences with her impish persona and magnificent voice. Now Ronald L. Davis fills a major gap in theater history, moving beyond Martin’s own 1976 memoir to provide a complete picture of her life and career. Lively and engaging, Davis’s biography is the first book-length portrait of the theater icon, spanning her lifetime to reveal facts about her childhood, marriages, and friendships—as well as artistic collaborations that included the likes of Rodgers and Hammerstein, Cole Porter, and Elia Kazan. Born in Weatherford, Texas, and mother to the future actor Larry Hagman, Martin went to California after the failure of her first marriage. There, she auditioned for every studio without success. “Audition Mary” finally had her big break when she won a talent contest, leading to her breakthrough 1938 performance in Leave It to Me—in which she wowed audiences singing “My Heart Belongs to Daddy.” Davis traces Martin’s numerous appearances on Broadway, in touring productions, and on television, showing how-through hard work and persistent optimism—she built a career that lasted nearly fifty years and earned her the adoration and respect of fans and colleagues alike. Because Martin’s life was entwined with many luminaries of the stage, this biography offers rich insights into theater history, including accounts of how various productions were developed. No other book tells her story in such detail—it is must reading for fans and an essential resource for theater aficionados everywhere.

A fascinating new biography of Mary Martin, the girl whose heart belonged to daddy, Rodgers and Hammerstein, Janet Gaynor and Peter Pan.

"Eager beaver producer Martin Klemmer, a wheeler dealer if ever there was one, has uncovered a terrific commercial script--'Star Wars: The Play'. Since he has produced only one Off Broadway project, something called 'Craps!', Martin's calls are not being returned by the powerful Broadway magnates capable of getting this play to the Great White Way. Martin needs names, names like film legends Sylvia Glenn and Leatrice Monsée, for the leads. If Martin can sign them he can get the money. Unfortunately, they hate each other. Will Martin be able to resolve this titanic dilemma? Will 'Star Wars: The Play' hit the big time? And, if Sylvia and Leatrice do agree to appear together, will Paul Newman sign on, too?"--Amazon.com.

The former star of I Dream of Genie and Dallas tells all in this behind-the-scenes look at a major television star, from his childhood as the son of legendary stage and screen star Mary Martin to his troubles with drugs and alcohol.

Tony and Olivier Award-winning Bob Avian’s dazzling life story, Dancing Man: A Broadway Choreographer’s Journey, is a memoir in three acts. Act I reveals the origins of one of Broadway’s legendary choreographers who appeared onstage with stars like Barbra Streisand and Mary Martin all before he was thirty. Act II includes teaching Katharine Hepburn how to sing and dance in Coco and working with Stephen Sondheim and Michael Bennett while helping to choreograph the original productions of Company and Follies. During this time, Avian won a Tony Award as the choreographer of A Chorus Line and produced the spectacular Tony Award-winning Dreamgirls. For a triumphant third act, Avian choreographed Julie Andrews’s return to the New York stage, devised all of the musical staging for Miss Saigon and Sunset Boulevard, and directed A Chorus Line on Broadway. He worked with the biggest names on Broadway,
including Andrew Lloyd Webber, Carol Burnett, Jennifer Holliday, Patti LuPone, Elaine Stritch, and Glenn Close. Candid, witty, sometimes shocking, and always entertaining, here at last is the ultimate up-close and personal insider’s view from a front row seat at the creation of the biggest, brightest, and best Broadway musicals of the past fifty years.

Recounting the more than century-long stage and screen history of J.M. Barrie's play Peter Pan, Bruce K. Hanson updates and expands his 1993 volume on “The Boy Who Wouldn’t Grow Up.” Hanson traces the origin of Barrie's tale through the first London production in 1904, to various British and American theatrical and film productions up to and including the stage versions of 2010. Included are excerpts of interviews with actresses Dinah Sheridan, Mary Martin and Sandy Duncan, all of whom portrayed Peter Pan on stage, and Betty Comden and Adolph Green, lyricists for the 1954 Broadway musical. The book features a wealth of rare photos, posters, programs and costume designs. An appendix lists virtually every actor who has performed a featured role in a London, Broadway or Hollywood production of Peter Pan from 1904 to the present.

Playbook.

This book explores the Broadway legacy of choreographer Agnes de Mille, from the 1940s through the 1960s. Six musicals are discussed in depth - Oklahoma!, One Touch of Venus, Bloomer Girl, Carousel, Brigadoon, and Allegro. Oklahoma!, Carousel, and Brigadoon were de Mille's most influential and lucrative Broadway works. The other three shows exemplify aspects of her legacy that have not been fully examined, including the impact of her ideas on some of the composers with whom she worked; her ability to incorporate a previously conceived work into the context of a Broadway show; and her trailblazing foray into the role of choreographer/director. Each chapter emphasizes de Mille's unique contributions to the original productions. Several themes emerge in looking closely at de Mille's Broadway repertoire. Character development remained at the heart of her theatrical work. She often took minor characters, represented with minimal or no dialogue, and fleshed out their stories. These stories added a layer of meaning that resulted in more complex productions. Sometimes, de Mille's stories were different from the stories her collaborators wanted to tell, which caused many conflicts. Because her unique ideas often got woven into the fabric of her musicals, de Mille saw her choreography as an authorship. She felt she should be given the same rights as the librettist and the composer. De Mille's work as an activist is an aspect of her legacy that has largely been overlooked. She contributed to revisions in dance copyright law and was a founding member of the Stage Directors and Choreographers Society, a theatrical union that protects the rights of directors and choreographers. Her contention that choreographers are authors who have their own stories to tell offers a new way of understanding the Broadway musical.
