Medical Marriages

The Medical Marriage helps physicians and their partners learn new ways to improve communication, balance the demands of work and family, and grow and change together. Responding to demographic changes among physicians and six years of new experiences since the first edition, Dr. Myers revises and expands her approach to creating a high-passion medical marriage. This volume examines the secrets of the medical couples who manage to avoid or escape a bad marriage and addresses their problems in physician couples. The occupational hazards of having a physician father. The medical marriage at midlife. Why doctors marry doctors: Exploring medical marriages...
