A veritable classic for our age, Beast and Man has helped change the way we think about ourselves and the world in which we live. Philosophers have traditionally concentrated on the qualities that make human beings different from other species. In...ourselves to believe, and reminds us just how primitive we are in comparison to the sophistication of many animals.

Being a Beast mingles neuroscience and psychology, nature writing and memoir to cross the...how it is an inquiry into the human experience in our world, carried out by exploring the full range of the life around us.

A passionate naturalist explores what it's really like to be an animal—by living like them How can we ever be sure that...it is an inquiry into the human experience in our world, carried out by exploring the full range of the life around us.
