Schaum's Outline of Probability by Murray R. Spiegel, Richard G. Marcum

Night's Dream. By presenting a full spectrum of source types including hagiography, law codes, literature, and handbooks, ... are deliberately minimal, providing just enough context so that students can hear medieval voices for themselves.

Magic, witches, and demons have drawn interest and fear throughout human history. In this comprehensive primary source reader, Matthew J. Browning traces the history and impact on society of beliefs and practices associated with the magical/witchcraft tradition from its origins to its modern-day manifestations, including the role of witchcraft in modern religions and subcultures. Perhaps the book's greatest value is its generous suite of essays, which enable students to create new perspectives on the sources and with the authors' engaging narrative style, the book is an effective way to engage even the most skeptical students.

Punchline Algebra Common Core Book 2 Review: Chapter 11

Our book collection includes in excess of 550,000 titles and is growing by the day. We are committed to putting the best on our shelves. The book is in English.
