Read Online Retail Loss Prevention In The Distribution Chain How To Identify And Prevent The Causes Of Loss In Distribution Networks

Loss prevention is any actions taken to reduce the amount of theft, breakage, or wastage in a business. As the premier provider of retail loss prevention solutions, we aim to equip our clients with an effective deterrent to theft and the ability to drive down the cost of crime.

But regardless of the retail sectors, the job of retail loss prevention professionals has changed significantly in the last few months and some of the changes and new challenges are likely here to stay for the foreseeable future.

Retail Loss Prevention: Objectives, Responsibilities and Functions

Retail loss prevention is the store’s initiative to control any kind of retail theft which is the main reason for increasing merchandise losses inside the retail stores.

Loss Prevention: 4 Types of Retail Shrinkage and How to Prevent Them

Before you can develop and enact a winning loss prevention plan, you need a solid understanding of what causes retail shrinkage. While there are several kinds of losses, the main four types of retail shrinkage include:

1. Employee Theft
2. Shoplifting
3. Undetected Internal Errors
4. Undocumented Discounts

Civil Recovery Services UK - Retail Loss Prevention Limited

Preventable losses are happening in retail businesses every day, whether they are happening through the abuse of company policies or the exploitation of customer goodwill. Unfortunately, when rules are broken, there is a real cost to the business.

Civil Recovery Services is a national law firm offering legal support to clients in the retail and hospitality sectors. With over 20 years’ experience of instructing solicitors in civil recovery and trade mark infringement cases, we are able to offer you a range of services to help protect your business.

The loss prevention team used video analysis of in-store surveillance cameras to identify patterns, like areas prone to theft activity, and catch shoplifting behaviors before they became a problem.
