Rogue Heroes: The History of the SAS Britains Secret Special Forces Unit That Sabotaged the Nazis and Changed the Nature of War

Britain’s Special Air Service—or SAS—was the brainchild of David Stirling, a young, gadabout aristocrat with a remarkable strategic mind. Where his colleagues looked at a map of World War II’s African theater and saw a

positioning, paving the way for the Allies to overtake the Nazis.

“The SAS is the world’s most renowned and ruthless special forces unit. Launched by a small band of maverick officers in the darkest days of the Second World War, the SAS played a pivotal role in the Allied victory. Now, an

exciting tale of fearlessness and heroism, recklessness and tragedy; of extraordinary men who were willing to take monumental risks. It is a story about the meaning of courage. Britain’s Special Air Service—or SAS—was the

brainchild of David Stirling, a young, gadabout aristocrat with a remarkable strategic mind. Where his colleagues looked at a map of World War II’s African theater and saw a positioning, paving the way for the Allies to overtake the

Nazis.

Though he faced stiff resistance from those who believed such activities violated the classic rules of war, Stirling persevered and in the process created a legacy. Staffed by brilliant, idiosyncratic men whose talents and

disciplined martinet Jock Lewes, Stirling assembled a revolutionary fighting force that would upend not just the balance of the war, but the nature of combat itself. He faced no little resistance from those who found his

unconventional approach to warfare too extreme.

The incredible untold story of WWII’s greatest secret fighting force, as told by our great modern master of wartime intrigue Britain’s Special Air Service—or SAS—was the brainchild of David Stirling, a young, gadabout

aristocrat whose early life was marred by a remarkable strategic mind. Where most of his colleagues looked at a battlefield map of World War II’s African theater and saw a positioning, paving the way for the Allies to

overcome the Axis, Stirling saw a positioning that would enable him to strike back at the Axis and change the course of the war.

From the secret SAS archives, and acclaimed author Ben Macintyre: the first ever authorized history of the SAS ‘Impeccably researched, superbly told - by far the best book on the SAS in World War II’ - Antony Beevor In

Rogue Heroes, Ben Macintyre tells the thrilling story of the SAS. Stirling’s crew, comprising some of Britain’s most dangerous men, would perform the impossible, to help turn the tide of war. The SAS became the most

famous and mysterious military organisation in the world: the SAS. Now, 75 years later, the SAS has finally decided to tell its story. It has opened its secret archives for the first time, granting

Ben Macintyre exclusive access to untold stories, extraordinary military secrets, and the highest levels of government. The result is not just a tremendous war story, but a fascinating group portrait of men of whom history and

country asked the most.--Adapted from dust jacket and publisher description. Britain's Special Air Service—or SAS—was the brainchild of David Stirling, a young, gadabout aristocrat with a remarkable strategic mind. Where his

colleagues looked at a map of World War II’s African theater and saw a positioning, paving the way for the Allies to overtake the Nazis. Despite intense opposition, Winston Churchill personally gave Stirling permission to recruit the

toughest, brightest and most ruthless soldiers he could find. So began the most revolutionary unit that the world had seen. The SAS, which operated behind enemy lines, would inflict mayhem behind enemy lines. Despite intense

opposition, Winston Churchill personally gave Stirling permission to recruit the toughest, brightest and most ruthless soldiers he could find. So began the most revolutionary unit that the world had seen. The SAS, which

operated behind enemy lines, would inflict mayhem behind enemy lines. Though he faced stiff resistance from those who believed such activities violated the classic rules of war, Stirling persevered and in the process

created a legacy. Staffed by brilliant, idiosyncratic men whose talents and accomplishments were equal to their flamboyant behaviors, the SAS became the most famous and mysterious military organisation in the world: the SAS.
