A dictionary gives meanings of words - in that respect this is not a dictionary & but much more. The meaning can be found, and is often known, but what often eludes the reader is knowledge of words that can be used instead of a particular word. In the English language there are several words that can, and do, convey the same or similar meaning, synonyms, as such words are called. The discerning person would like to use the correct word & this compact and simple dictionary brings to the reader, a vast collection of the most commonly and currently used words. Wherever available, an antonym, i.e. the opposite meaning is also given. Salient Features: " Simpler than a thesaurus " Invaluable to writers and crossword addicts " Readers, students and teachers of the English language will benefit from this book " Improves vocabulary

An essential point of reference for anyone wanting to widen their vocabulary, this dictionary offers more than 140,000 alternative and opposite words as well as thousands of real examples of usage from the Oxford English Corpus to help you find the word you need quickly and easily.

Excerpt from Thesaurus of English Words and Phrases: Classified and Arranged So as to Facilitate the Expression of Ideas and Assist in Literary Composition The first edition of Dr. Roget's Thesaurus was published in the year 1852, and a second in the ensuing spring. On the issue of the third, in 1855, the volume was stereotyped. Since that time until now, the work has been reprinted in the same form and with little alteration, in rapidly succeeding editions, the printing of which has worn out the original plates.
