Don’t wait for that promotion! Start leading NOW...right where you are! What’s the number one question leadership expert John C. Maxwell is asked while conducting his leadership conferences? “How can I implement what you teach when I’m not the top leader?” . Is it possible to lead well when you’re not the top dog? How about if the person you work for is a bad leader? The answer is a resounding yes! Welcome to The 360° Leader. People who desire to lead from the middle of organizations face unique challenges. And they are often held back by myths that prevent them from developing their influence. Dr. Maxwell, one of the globe’s most trusted leadership mentors, debunks the myths, shows you how to overcome the challenges, and teaches you the skills you need to become a 360° leader. If you have found yourself trying to lead from the middle of the organization, as the vast majority of professionals do, then you need Maxwell’s insights. You have a unique opportunity to exercise influence in all directions—up (to the boss), across (among your peers), and down (to those you lead). The good news is that your influence is greater than you know. Practice the disciplines of 360° leadership and the opportunities will be endless . . . for your organization, for your career, and for your life.

People can learn how to lead. This was the position John H. Zenger and Joseph R.
Folkman took when they wrote their now-classic leadership book The Extraordinary Leader—and it’s a fact they reinforce in this new, completely updated edition of their bestseller. When it was first published, The Extraordinary Leader immediately attracted a wide audience of aspiring leaders drawn to its unique feature: the extensive use of scientific studies and hard data, which served to demystify the concept of leadership and get readers thinking about the subject in a pragmatic way. Now, Zenger and Folkman revisit the subject to address leaders’ most pressing concerns today. The result is an up-to-date, essential leadership guide for the twenty-first century that includes: Late-breaking research on the psychology of leadership New information on leading in a global environment A breakthrough case study on measuring improved leadership behavior Studies revealing the importance of follow-through The Extraordinary Leader is a remarkable combination of expert insight and extensive research. The authors analyzed more than 200,000 assessments describing 20,000 managers—by far the most expansive research ever conducted for a leadership book. Zenger and Folkman have created the leadership book of the ages. The Extraordinary Leader explains how to build leadership skills that will take you and your organization to unimagined success.

If you are to survive in today's competitive environment, you must have the leadership skills that make you a valued member of your organization's leadership team. Global Executive Leadership Inventory (GELI) is your in-depth development tool that offers guidance for understanding your leadership abilities and shows you how to take steps to improvement. The Inventory consists of 100 action- and behavior-based questions that are designed to measure your competency within twelve areas: Visioning, Empowering, Energizing, Designing and Aligning, Rewarding and Feedback, Team Building, Outside Orientation, Global Mindset, Tenacity, Emotional Intelligence, Life Balance, and Resilience to Stress. The Inventory includes an effective self-assessment tool as well as a 360-degree component that allows you to obtain feedback from subordinates, colleagues, and superiors. Once the assessment is completed and scored, the Participant Workbook guides you through the feedback and helps to create a development plan. As a result of the GELI process, when you complete this Workbook you will be able to State advantages of and concerns about 360-degree feedback Identify twelve key characteristics of successful global leaders Evaluate your strengths and weaknesses on each of the twelve key characteristics Develop an action plan that specifies what you will do to improve your leadership competencies An ideal tool for examining your leadership behavior roadblocks and then taking steps toward improvement, the GELI will serve you as an essential resource on your leadership journey.

"TRB's Airport Cooperative Research Program (ACRP) Report 75: Airport Leadership Development Program is designed to assist existing and future airport leaders to assess, obtain, and refine airport-industry leadership skills. The program includes forms for a full 360-degree individual assessment of core leadership traits. A complete facilitator guide with Microsoft PowerPoint presentations and participant workbooks and materials are also included on the CD-ROM that accompanies the print version of the report. The CD-ROM is also available for download from TRB's website as an ISO image. Links to the ISO image and instructions for burning a CD-ROM from an ISO image are provided below"--Publication info.

John Maxwell describes how to identify the qualities of strong leaders, recognize
personal areas of strength and weakness, formulate a plan for personal or team improvement, recruit like-minded leaders to your team, and develop each team member to their fullest potential.

In this important book, successful organizations—including well-known companies such as Agilent Technologies, Corning, GE Capital, Hewlett Packard, Honeywell Aerospace, Lockheed Martin, MIT, Motorola, and Praxair—share their most effective approaches, tools, and specific methods for leadership development and organizational change. These exemplary organizations serve as models for leadership development and organizational change because they Commit to organizational objectives and culture Transform behaviors, cultures, and perceptions Implement competency or organization effectiveness models Exhibit strong top management leadership support and passion
