The Fountain of Humor Number 2, available as an eBook and as an audiobook. It is a collection of jokes and stories. These jokes can be read and listened to or read and/or played to people who live, work or love others. The material is helpful to mind and body. It is funny, tasteful and likely to make most people laugh out loud. It's all about feeling good, feeling much better, reducing sad feelings, healing mind and body. All anyone needs to do is to laugh loud and long to feel good and better. Yes, it works. It's not a cure-all for aging and not a Fountain of Youth ... simply a Fountain of Humor for all. It is a supply of funny jokes and stories that really helps, for a while, to reduce the depression about aging, the loss of loved ones, chronic illness, loss of sight, sound and mobility. Our jokes and stories are provided through our unique process of selection, customization and cleansing by our "Joke-Jury." This combined publication of text and audio has been designed so that: A healthy person can see and hear the jokes and laugh. A blind or partially blind person can hear the jokes and laugh. A deaf or partially deaf person can see the jokes and laugh. Even the dying find something to laugh about for a moment in time and will ask for more jokes. My father-in-law, terminally ill with cancer, called often in his last year asking my wife and me to read a joke or two to him. Hearing him laugh from miles away also opened the door to comforting conversation and made it easier for all of us. This is mighty important for all of us. An 85-year-old, losing her mental capacities, repeatedly asked for our jokes to be read to her. It comforted her right up to her passing. A professional woman purchased the set for "signing" to groups of deaf people. She works with them as the audio version plays the jokes for her. How Best to Use Fountain of Humor in Groups: Instructions are provided on how to read them to diverse audiences
in institutional settings or families or to their friends. We believe that the elderly, infirm, families or just two people enjoy the togetherness and communal feeling that laughter brings. People love having jokes read to them. That "legitimizes" laughing out loud. Everyone wants to laugh, whether they are kids age 1 or 100.

Explores the Eastern German literary trend of the 1990s employing humor and satire to come to terms with socialism's failure and a difficult unification process. This title surveys ten novels including, works by Brussig, Schulze, and Hensel. These contemporary texts help define Germany today from a specific, East German perspective.

This is the first book in English to survey the Eastern German literary trend of employing humor and satire to come to terms with experiences in the German Democratic Republic and after the fall of the Berlin Wall. As sophisticated attempts to make sense of socialism’s failure and a difficult unification process, these contemporary texts help define Germany today from a specific, Eastern German perspective. Grounded in politics and history, ten humorous and satirical novels are analyzed for their literary aesthetics and language, cultural critiques, and socio-political insights. The texts include popular novels such as Thomas Brussig’s Helden wie wir, Ingo Schulze’s Simple Storys, and Jens Sparschuh’s Der Zimmerspringbrunnen, as well as lesser-known but equally relevant works like Schlehweins Giraffe by Bernd Schirmer and Katerfrühstück by Erich Loest. A broad spectrum of humor and satire theories is applied to probe texts from various angles and suggest multi-layered answers to the question of how these literary modes function in postwall Germany to construct a specifically Eastern German identity. Interviews the author conducted with five of the satirists are appended as primary sources.
and contribute to the interpretation of the texts.

TJG is the sport of tennis at its funniest. In fact, we guarantee that you cannot improve your game simply by reading this book! However, this book will provide every tennis player and hacker hours of non-stop hilarious entertainment. Your favorite player MUST have it. Inside you will learn: · The differences between real backhands and that two-hand kind · Why pros don't teach lob volleys · How to spot a hacker · The secrets of Gamesmanship · Why your grip was named after an airline · Why the Italian Open isn't a Grand Slam event · How to lob without embarrassment · Dave's Laws of Tennis · The undocumented history of its old-fangled scoring · About the Tournament Police · The members of the Generic Tennis Club · Whether or not you are a Commando Tennis Player · Dave's Absolute Tennis Ability Rating System · And much, much more

Originally published in 1993. The purpose of this volume is to lay out documents which give an estimate of Mark Twain as a humourist in both historical scope and in the analysis of modern scholars. The emphasis in this collection is on how Twain developed from a contemporary humourist among many others of his generation into a major comic writer and American spokesman and, in several more recent essays by younger Twain scholars, the outcomes of that development late in his career. The essays determine how the humor takes on meaning and importance and how the humor works in a number of ways in the literary canon and even in the persona of Mark Twain.

Love chocolate? . . . Need a good laugh? Who doesn’t? Find mirth and spiritual refreshment in Heavenly Humor for the Chocolate Lover’s Soul, featuring devotional readings drawn from fellow
chocolate fanciers. Seventy-five readings will make you laugh, chuckle, chortle, and snicker. And every reading points you to the heavenly Father who knows all about you—and loves you completely.

Humor is the tendency of particular cognitive experiences to provoke laughter and provide amusement. Throughout history, it has played a crucial role in defining gender roles and identities. This collection offers an in-depth thematic examination of this relationship between humor and gender, spanning a variety of historical and cultural backdrops.
