Inspector Harry Hole tracks a Norwegian serial killer in this installment of Jo Nesbo’s New
York Times bestselling series. One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he has received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished all on the day of the first snow. But this is a killer who makes his own rules . . . and he will break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbø presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity.

The next thrilling installment in the Harry Hole series. The night the first snow falls a young boy wakes to find his mother gone. He walks through the silent house, but finds only wet footprints on the stairs. In the garden looms a solitary figure: a snowman bathed in cold moonlight, its black eyes glaring up at the bedroom windows. Round its neck is his mother's pink scarf. Inspector Harry Hole is convinced there is a link between the disappearance and a menacing letter he received some months earlier. As Harry and his team delve into unsolved case files, they discover that an alarming number of wives and mothers have gone missing over the years. When a second woman disappears Harry's suspicions are confirmed: he is a pawn in a deadly game. For the first time in his career Harry finds himself confronted with a serial killer operating on his turf, a killer who will drive him to the brink of insanity. A brilliant thriller with a pace that never lets up, The Snowman confirms Jo Nesbø's position as an international star of crime fiction.

Mark Billingham Soon the first snow will come A young boy wakes to find his mother missing. Outside, he sees her favourite scarf wrapped around the neck of a snowman. And then he will appear again Detective Harry Hole soon discovers that an alarming number of wives and mothers have gone missing over the years. And when the snow is gone... When a second woman disappears, Harry's worst suspicion is confirmed: a serial killer is operating on his home turf. ...he will have taken someone else *JO NESBO HAS SOLD 40 MILLION BOOKS WORLDWIDE* *Watch out for Knife, the new Harry Hole thriller, out now*
In the heat of a sweltering Oslo summer, a young woman is found murdered in her flat with one of her fingers cut off and a tiny red star-shaped diamond placed under her eyelid. An off-the-rails alcoholic barely holding on to his job, Detective Harry Hole is assigned the case with Tom Waaler, a hated colleague whom Harry believes is responsible for the murder of his partner. When another woman is reported missing five days later, and her severed finger turns up adorned with a red star-shaped diamond ring, Harry fears a serial killer is at work. But Hole's determination to capture a fiend and to expose Waaler's crimes is leading him into shadowy places where both investigations merge in unexpected ways, forcing him to make difficult decisions about a future he may not live to see.

"A hugely impressive achievement—ambitious in scope, and skilled in execution." —Los Angeles Times

"The Redbreast certainly ranks with the best of current American crime fiction." —Washington Post

No disrespect meant to Henning Mankell and Stieg Larsson, but Jo Nesbo, the New York Times bestselling author of The Snowman, is the most exciting Scandinavian thriller writer in the crime fiction business. The Redbreast is a fabulous installment in Nesbo's tough-as-nails series protagonist, Oslo police detective Harry Hole. A brilliant and epic novel, breathtaking in its scope and design, winner of The Glass Key for best Nordic crime novel and selected as the best Norwegian crime novel ever written by members of Norway's book clubs. The Redbreast is a chilling tale of murder and betrayal that ranges from the battlefields of World War Two to the streets of modern-day Oslo. Follow Hole as he races to stop a killer and disarm a ticking time-bomb from his nation's shadowy past. Vogue magazine says that nobody can delve into the dark, twisted mind of a murderer better than a Scandinavian thriller writer and nobody does it better than Jo Nesbo! James Patterson fans should also take note.

Grainy CCTV footage shows a man walking into a bank and putting a gun to a cashier's head. He tells her to count to twenty-five. When he doesn't get his money in time, she is executed. Detective Harry Hole is assigned to the case. While Harry's girlfriend is away in Russia, an old flame gets in touch. He goes to dinner at her house and wakes up at home with no memory of the past twelve hours. The same morning the girl is found shot dead in her bed. Harry begins to receive threatening e-mails. Is someone trying to frame him for this unexplained death? Meanwhile the bank robberies continue with unparalleled savagery. Gripping and surprising, Nemesis is the new thriller by one of the biggest stars of Scandinavian crime fiction.

Inspector Harry Hole pursues an assassin bent on revenge in this installment of Jo Nesbo's New York Times bestselling series. Shots ring out at a Salvation Army Christmas concert in Oslo, leaving one of the singers dead in the street. The trail will lead Harry Hole, Oslo's best investigator and worst civil servant, deep into the darkest corners of the city and, eventually, to Croatia. An assassin forged in the war-torn region has been brought to Oslo to settle an old debt. As the police circle in, the killer becomes increasingly desperate and the danger mounts for Harry and his colleagues.

A NEW YORK TIMES NOTABLE BOOK OF 2018 Shakespeare's dark and tragic play retold in a heart-pounding New York Times bestselling thriller from the author of The Snowman and The Thirst. Set in the 1970s in a run-down, rainy industrial town, Jo Nesbo's Macbeth centers around a police force struggling to shed an incessant drug problem. Duncan, chief of police, is idealistic and visionary, a dream to the townspeople but a nightmare for criminals. The drug trade is ruled by two drug lords, one of whom-a master of manipulation named Hecate—has connections with the highest in power, and plans to use them to get his way. Hecate's plot
hinges on steadily, insidiously manipulating Inspector Macbeth: the head of SWAT and a man already susceptible to violent and paranoid tendencies. What follows is an unputdownable story of love and guilt, political ambition, and greed for more, exploring the darkest corners of human nature, and the aspirations of the criminal mind.
