fear. Fear is a spirit. This does not mean it is a “spirit being” or
a demonic personality called “fear”. Fear is a spiritual influence, a controlling power over the hearts of men and women. You will notice that when fear grips you, it is as if some powerful influence takes over you from which it is quite difficult to break loose from. A SPIRITUAL WARFARE NOVELWhat happens when a demon of fear invades a woman nearly one hundred years ago and subsequently attacks every one of her female descendants with fears so devastating that dreams are destroyed, giftings are abandoned, behaviors become weird, and insanity seems inevitable? It has also proven that the generational curse of fear that Elsie declared would never get her, has caught up with her—with a vengeance. Elsie's strong atheistic beliefs are put to the test as she tries everything she knows to get better. But she doesn't understand that she's engaged in spiritual warfare and is fighting both demons and God. Her condition worsens so fast that she is forced to consider things she once thought were myths, or worse, crazy. Are demons the problem? Is God the answer?
