Joyce Meyer says, “Death and life are in the power of the tongue.” Simply put, words are containers for power—positive or negative, life-giving or lethal. When you think and talk, you use words to shape your world. So when you believe God’s words, you’re actually setting the foundation for your future. When you do, your life will never be the same! If you struggle with being negative, critical, or judgmental of people and situations, don’t be discouraged. God wants to help you renew your mind to think and speak as He would. It won’t happen overnight, but when you choose to believe God’s words, you’ll be transformed. God created you to live, and Joyce wants to help you get there. You can do it with this devotional by learning how to speak the life-giving words God has for you.
